

Application Information and Instructions

This packet contains: 1) Application information and instructions to be kept by the applicant; 2) an Application to be completed and returned to the CLEE Board at the Law Enforcement Foundation; and, 3) a CLEE Self Assessment sheet to be mailed with the Application.

EARNING THE DESIGNATION OF CERTIFIED LAW ENFORCEMENT EXECUTIVE (CLEE)

The primary purpose of the Certified Law Enforcement Executive (CLEE) program is the advancement of professional competence. The CLEE program provides a formalized way for executives to improve and verify competency in their profession. A direct benefit to the executive is the public prestige of having voluntarily met a prescribed standard of excellence as a practitioner.

To qualify for the CLEE program, you must be: 1) qualified as a law enforcement officer as defined by the Ohio Revised Code 2935.01B; 2) serving as an active and full-time officer; and, 3) certified by the Ohio Peace Officer Training Council.

The CLEE program is a three-step process. The first is to complete the Self Assessment summary (detached, page 12). A candidate should have accumulated at least 501 Career Index points out of a possible 1000 points before submitting an application to the CLEE Board. Accumulation of 501 points only signifies eligibility to be considered and does not ensure admission into the program. If the applicant has accumulated at least 501 points, the second step is to complete the Application and Career Index Assessment (pages 1 - 11), which documents some of your career experiences. After admission, the third step is successfully completing the Academic In-residence requirements, examinations/case studies and Capstone presentation.

CAREER INDEX ASSESSMENT

The Career Index Assessment asks you to list your professional and educational achievements so that the CLEE Board can evaluate the strength and breadth of four Dimensions of your career. Accomplishments in these four Dimensions have been identified as the standards of admission for a candidate who would sit for the Certified Law Enforcement Executive (CLEE) academic requirements.

1. Experience (maximum 400 points)

This Dimension documents the breadth and depth of your experience in law enforcement and in law enforcement leadership and management. It is scored to reflect growth in responsibility for decision-making that affects the long-term effectiveness of a law enforcement agency. It acknowledges experience in supervision and policy making for an agency and seasoning in a current position.

2. Formal Education (maximum 250 points)

In addition to experience, education (High School diploma to graduate or professional degrees) provides information for law enforcement professionals to use to improve performance in their current or future jobs. Education helps decision-makers find new ways to incorporate other disciplines and approaches into strategies for improving the agency. Formal Education is scored to recognize the benefit to candidates who expand their horizons both within and beyond the boundaries of technical law enforcement.

3. Continuing Education (maximum 200 points)

After becoming established in the profession, members of the profession and society in general consider it necessary that the practitioner keep up to date through life-long learning. Changing social, economic, legal and political conditions and emerging technology change the framework within which law enforcement executives make decisions. This Dimension identifies the initiative of candidates to refresh and add to their own knowledge.

4. Professional Related Experience (maximum 150 points)

Professional Related Experience reflects the importance of the service ideal of a law enforcement executive to contribute to upgrading the characteristics of the profession and providing service to his or her community.

INSTRUCTIONS FOR COMPLETING THE CAREER INDEX ASSESSMENT

The Career Index Assessment form provides a format for you to document your experience, formal education, continuing education achievements, and professional related experience. A maximum of 1000 points is awarded across these four Dimensions. For your information, a scoring guide is included at the end of each Dimension.

1. Read all instructions and the specific information requested on the Career Index Assessment form before beginning to record activities.
2. The Application and Career Index Assessment form can be completed in one of three ways:
 - A. You may print or type the information requested on the downloaded form provided.

- B. You may format the form on your word processor. However, you must include each Dimension in the order and in the format given on the form. You do not need to include the Scoring Guides.
- C. You may use the On-line application by typing in the information requested on the form and submit by clicking the SUBMIT button.
NOTE: Online submit form is only part of your application. You must mail or fax required documents to complete the application process that will then allow you to be eligible for consideration.

You will have 48 hours to submit by hard copy or fax the attachments required to document your application information. Each document must be labeled by applicable Dimension.

*Send to:
Ray A. Miller, Ph.D., CLEE Program Director
6277 Riverside Dr., Ste. 2N
Dublin, OH 43017
or fax to 614-761-9509*

3. Prepare two copies of your completed Career Index Assessment form and all supporting materials.

Submit one copy with tabs separating the four Dimensions, standard three-hole punch, and secure with a binder clip.

Retain the second copy for your file. An acknowledgment of receipt of your application will be sent to you when it is received in the Law Enforcement Foundation office.

4. To interpret the following instructions, please refer to the Career Index Assessment form.

If supplemental typed pages are needed for a Dimension, number the pages to correspond with pagination on the form – e.g., 2A, 2B, etc. for Dimension One; 4A, etc. for Dimension Two; 5A, etc. for Dimension Three; and 6A or 7A, etc. for the sub-sections of Dimension Four.

Where you need to include requested supplemental pages, (e.g. current job description, copy of a diploma, etc.), insert them following any typed, supplemental pages. Identify each supplemental page in the upper right hand corner with a page number, the appropriate Dimension number and your name.

Submit supplemental documentation only when requested or if, in your judgment, the information will clarify an entry that is vague. Do not insert pages in individual plastic covers. Eliminate unnecessary bulk.

5. Be accurate and factual in every reply. If you include information in one place, do not repeat it elsewhere. Wherever there is a question of accuracy (e.g., dates), always qualify with “about” or “approximately”, but use only when necessary. Do not use alphabetical abbreviations or acronyms.
6. Recheck all items on the Career Index Assessment form carefully before signing the form on page 11 and mailing.
