

## Application for 2010 PELC Alumni Association PELC Scholarships

The PELC Alumni Association has announced that it will make \$5,000 available to the Law Enforcement Foundation, Inc. in 2010 for need based PELC tuition scholarships. **The Executive Institute Committee will accept applications for these scholarships, which must be used for one of the 2010 PELC classes, through JUNE 15, 2009.** If the scholarship applicant has not already been accepted to a 2010 class, an admission application must accompany the scholarship request. Applications for admission are available at [www.lef-oh.org](http://www.lef-oh.org) or by calling 614-761-9479 and asking for Monica. Scholarships, to be awarded at the discretion of the Executive Institute Committee, will be announced by mid-July 2009. While it is possible that full scholarships (not including lodging) may be awarded, it is anticipated that partial scholarships of varying amounts will be awarded based on documented agency financial need.
